HOW BUTLER GAVE MESSAGE

What Sir William Said and What Servant Told Reporter Quite Different.

This is a story long well known in Fleet street:

"The late W. S. Gilbert was absolutely fearless; he could cross the Strand or punch a head with any man. He once collared a burglar in his own house and trussed him splendidly for the subsequent policeman. Next day a reporter from Fleet street called to interview him. The butler came to the door and carried the journalist's message in to Sir William, who roared out across the hall:

"Tell the Daily — man to go to —."

"The butler came back with a grave face, unconscious that Sir William's outburst had been overheard, and said:

"Sir William is extremely sorry, but he wishes me to state that extreme pressure of work precludes him from the pleasure of seeing you this morning."

IS THE WORLD GROWING BETTER?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers everywhere to take them. For years I suffered with stomach and kidney trouble, she writes. Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully. They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them; you'll see. 50c at S. E. McGeachy.

DEATH DREAM REALIZED.

A remarkable dream of death was mentioned the other day at a Southward, England, inquest on an infant named George McCarthy. "I had so vivid a dream that my daughter's child was dead," said Mrs. Hendry, the grandmother of the infant, "that I went early in the morning to her house. I found her in bed, and asked her what was wrong with the child. She replied, 'He is all right. What did you think was the matter with him?' I told her of my dream, and asked her to look at the baby. She looked, and the child was dead."

HE WANTS TO KNOW.

"Is everybody free and equal in America?"

"Yes, duke, of course."

"Then why do you constantly remind me that you are introducing me only to your best people?"—Exchange.

Don't trifle with a cold is good advice for prudent men and women. It may be vital in case of a child. There is nothing better than Chamberlain's Cough Remedy for coughs and colds in children. It is safe and sure. For sale by All Dealers.

ASBESTOS.

The total production of asbestos in the United States for 1910 was the greatest yet recorded, 6,698 tons. This was an increase of 20 per cent. in quantity over the production of 1909. The United States has long held first place as a manufacturer of asbestos goods, but the raw material for that purpose was freely drawn from Canada, at present the chief source of the world's supply. Georgia and Vermont are our chief asbestos producers, the former of amphibole and the latter of chrysotile varieties, the latter being reported by manufacturers to compare favorably with that from Canada. The production in Wyoming and Idaho has advanced but in those states the industry is still in the development stage and has not become permanently established.

The best plaster. A piece of flannel dampened with Chamberlain's Liniment and bound on the affected parts is superior to a plaster and costs only one tenth as much. For sale by All Dealers.

ALLIGATOR HARD TO KILL.

An alligator's tenacity of life is remarkable. "I remember one time," says an English traveler in India, "I was with a shooting party on the Ganges, when the natives brought in a six-foot alligator. They hoped some one would want to buy it; but no one did, so it was determined to kill the creature. It was hauled out of the tank and tied to a tree. Bullets from a small rifle or an ordinary 12-bore gun seemed to only irritate the saurian, and he did not seem to care very much when a native thrust a spear down his throat. Finally they were obliged to get axes and chop off its head. Even then the tail thrashed around, and the body was almost cut to pieces before all movement ceased."

GIVES AID TO STRIKERS.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them; 25c at S. E. McGeachy.
